

## **50<sup>TH</sup> ANNIVERSARY CHAMPIONSHIP SHOW – SATURDAY, 7 NOVEMBER 2015**

### **Judge's Critique – Judge Marian Mynott (Honeybet UK)**

#### **CLASSES 2-11, DOGS AND BITCHES**

I feel very privileged to have been invited to judge this special anniversary show. It is a great honour and I would like to pass on my appreciation to the committee, helpers and the exhibitors for making me feel so welcome. The hospitality was wonderful, I felt so well cared for throughout my time in Canberra and I cannot thank everyone enough. It was a pleasure to judge such a wonderful entry of lovely Cavaliers, which made some of the decisions very difficult. With the quality of the dogs it was very much the performance of the dog on the day.

This Blenheim boy needs time to mature and tighten up with muscle tone. Lovely outline, clean well-broken coat with rich tan markings. Good head, with good pigment, dark eyes and good earset. Good neck and shoulders. Moved out well, movement will be better with maturity and muscle tone.

#### **CLASS 3 – PUPPY DOG (9 ENTERED, 1 ABSENT)**

- 1st & RDCC - COLOORA RUMOURS FLY (Tricolour) 21004 w22.11.14 Ch Colooro Fly Me To The Moon x Elfking Miss Millicent Tudor - L Morris (Owner/Breeder)  
Lovely compact, well balanced tri boy of 11½ months. Well coated for age with well-broken markings and rich tan in all the right places. Loved his head and the expression from large, warm, dark eyes. Good temperament and attitude. Moved out with drive off well-let-down hocks and well-turned stifles. Level topline and tail carried happily, a little above level of back at times, but I considered it acceptable given his youthful exuberance. I could not deny his overall qualities on the day when awarding him the RDCC.

Sweet boy, slightly different in head to 1st.placed litter brother. I feel sure that these two boys will swap places under different judges. Coat is on the blow a bit just now and therefore not at

its best, but there was plenty of it. He has good construction and moved out well. It must be pleasing to the owner/breeder to have these two litter brothers to show.

#### **CLASS 5 – INTERMEDIATE DOG (10 ENTERED, 2 ABSENT)**

Super well coated and richly coloured ruby boy of good construction and so well balanced overall. Lovely moderate masculine head with black pigment to nose and eye rims setting off his lovely eyes. Super reach of neck with the crest giving elegance to his head carriage on the move, leading down into well laid shoulders and good front, with well-developed chest and forechest. Short coupled across a firm loin and with his tail coming off his back, carried well on the move. He just flowed around the ring with style, driving off his well let-down hocks and strong rear. Just could not resist giving him top honours.

Liked this b/t boy as he entered the ring. Lovely outline and shape, carried himself very well as he moved out around the ring. Level topline and good hind quarters. The lay of shoulders and upper arm angulation could be better for me based on hands-on evaluation, in profile it looks good and is marginal, he is a lovely boy.

This lovely ruby girl has the blackest of pigment and a good rich chestnut colour to her coat. She is a well-made girl with a lovely outline and good angulation to front and rear. Moved out well. On the day the tail carriage was up more than I felt was acceptable based on the breed standard, and in a close decision it made a difference to her placing.

Sweet ruby girl of excellent colour and with good black pigment. Between coats, but in good condition. Lovely make and shape that could not be ignored.
